USDF ALL-BREEDS AWARDS DECLARATION FORM GENERAL INFORMATION

Questions? Please e-mail horsedeclarations@usdf.org or call 859-971-2277

- **General Information:**

- A horse is eligible for USDF All-Breeds awards based on the registry papers and declaration form submitted to USDF.
- It is not necessary to submit a copy of your horse's registry papers and/or declaration form each year. Once a horse is declared for the USDF All-Breeds Awards Program, the declaration will stay in place for future years.
- It is necessary to complete all USDF year-end award requirements for each competition year.
- PO may have additional requirements that must also be met. It is the member's responsibility to contact the PO directly and verify that all the PO's All-Breeds awards requirements are met yearly.
- Contact information may be shared with PO for award eligibility verification purposes.
- Declarations may be changed by submitting an updated declaration form and breed registry papers with applicable change fee by **August 1 of the award year**. Declaration change fee applies to every declaration change request, regardless of the reason.

- **Important Points:**

- Please ensure form is fully completed, signed, dated, with declaration fee and all documentation included.
- Incomplete requests will not be processed. Verify declaration on horse's summary page on USDFScores.com.
- Notify USDF no later than **August 1 of the award year** if the declaration is incorrect.
- For horses with foreign passports, please provide all of the following pages:
 1. Front or cover page.
 2. Pages listing the horses date of birth, breeder and pedigree.
 3. Page with seal or stamp from issuing registry with signature.
- Breed registry paper, declaration form and fee must be received by USDF by **August 1 of the award year** in order to be eligible for awards during the same year. Late declarations will be accepted August 2-31 with payment of a \$100 late fee and declarations will be accepted September 1-30 with payment of a \$300 late fee. The late fee is in addition to the declaration fee. No declarations may be made for the current year after September 30.

- **For current year foals without breed registry papers:**

- A letter of eligibility from the PO or foal registration certificate may be submitted in lieu of breed registry papers.
- Current year foals may be declared up until **September 30 of the award year** with no late fee.
- Final breed registry papers must be received by August 1 of horse's yearling year to maintain all-breeds declaration.

- **USDF Awards Resource Guide:**

- Available on the USDF website, this guide provides helpful information regarding the USDF All-Breeds Awards Program, and all other USDF award and recognition opportunities available, in an easy to navigate format.
