

UNITED STATES *Dressage* FEDERATION

GMO Spotlight

USDF takes pride in its Group Member Organizations, and wants to highlight GMOs across the country in *Your Dressage*, USDF's new digital publication. *Your Dressage* is available to both members and non-members on the USDF app, free of charge. What better way to showcase your GMO and the benefits of joining your group, than by having your GMO highlighted in this new publication?

This application can be submitted by your GMO's president at any time throughout the year, and will be kept on file for possible inclusion in *Your Dressage*.

By submitting this form, you grant USDF permission to publish any and all content in any USDF print or digital properties including, but not limited to, USDF websites, electronic communications, and social media.

1. How many members does your GMO have annually, on average? _____
2. In 500 words or less, tell us about your GMO, and what your GMO is most proud of (example: history of GMO, special benefits offered to members, charity events hosted by your GMO, etc.).

3. Does your GMO offer unique classes or activities that cater to youth, adult amateurs, or professionals? If so, please provide a brief description.

4. What type of educational events does your GMO offer?

5. What type of "fun" events does your GMO offer?

Additional Comments

This form must be submitted by the current GMO president. By providing a signature below, whether written or electronic, you are agreeing to the aforementioned terms of this form.
