

UNITED STATES *Dressage* FEDERATION
Historical GMO Questionnaire

USDF

Please fill out the following, as completely as you can:

Note: USDF does not have complete GMO records

Group Member Organization

Region

Location in Region

Founding Date

Founding Members:

Current Officers:

1. Please tell the story of how the club got its start and when and how it became an official USDF GMO:

2. From size to geography, every GMO and its members have their own unique set of challenges and opportunities that lend the club its personality and regional flavor. What are your GMO's challenges and opportunities?

3. What does your GMO do to help the beginning dressage rider? The advanced dressage rider? Other categories of members (i.e. eventers)? *Advantages to being a member if you are not dressage oriented.*

4. What members and horses coming from your GMO ranks have distinguished themselves regionally, nationally, or internationally?

5. Dressage at Devon is the production of a GMO, Delaware Valley Combined Training Association. Describe your GMO's most noteworthy events or undertakings.

6. In what ways has your GMO contributed to the development of dressage in the U.S.?

7. In what ways has your GMO changed/evolved over time? (i.e. growth of membership, hosting large events, divided into chapters, etc.)

8. If available, please provide a list of your club's officers through the years.
